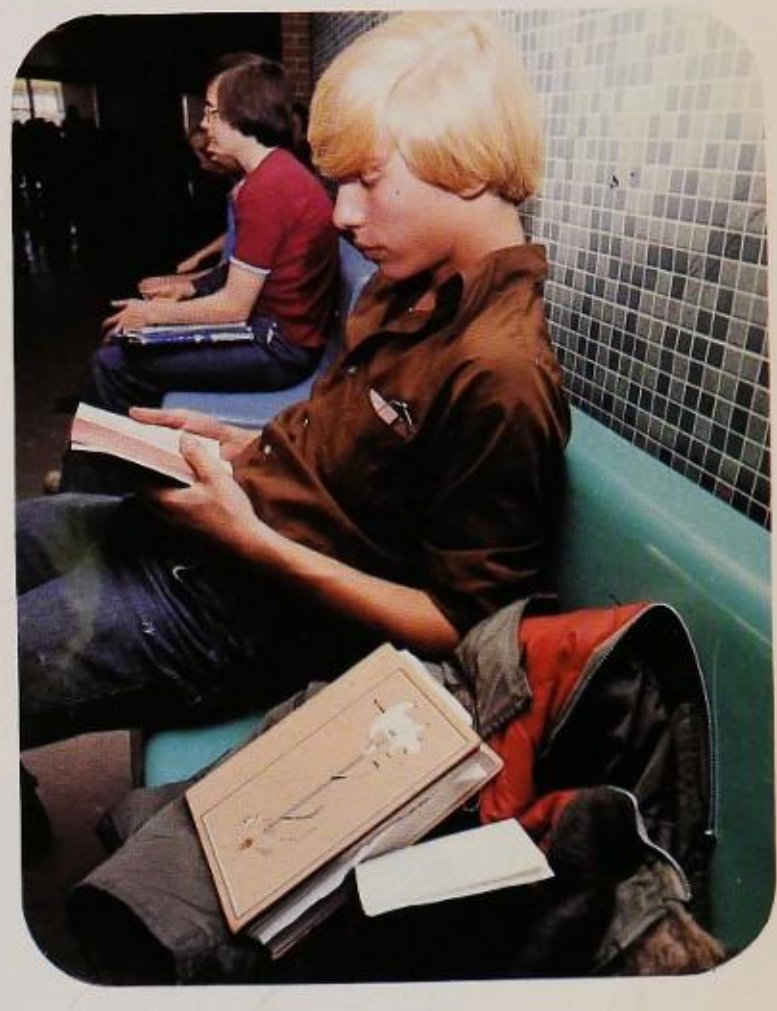
MY DAY

I arise every morning in the dark because Congress voted us Daylight Saving Time all year. Still not awake, I arrive at school and somehow make it through my morning classes. During lunch we stand in line for five-cent milk or a sixty-cent complete lunch of pizzaburger. At the table, over the blaring RWB, we exchange information on our latest date or a stupid three-page assignment that is due tomorrow. The bell marks the beginning of my afternoon, which goes by like a breeze. Depending on which day it is, I now go to work, shopping, home to watch TV or talk on the phone. Just plain goofing around till dinner . . .



. . . Dinner being about the only time the whole family is together, usually isn't too unbearable. Helping clean the table off or taking out the garbage is usually avoidable, but not tonight. Well now, it's time to do a little homework, listen to the radio, or play my stereo. I could pick up my date (except I don't have one tonight), so I guess I'll just go driving around with the gang. Usual stops are Yorktown, the bolwing alley, or Madion Meadows. No evenings are complete without a stop at Mac's or Barnaby's. As usual, I get in a little late and will get only a few hours' sleep before I have to get up in the dark . . .

Notable Quotes

"... But what do you suppose anybody wants to be doing in a summer hotel on the top of a mountain in the dead of winter? ... Believe me, Ladies, there are more keys to Baldpate than you'll find in a Steinway piano! ... Great heavens man, to what sort of place did you send me? Nothing but crooks, murderers, ghosts, pistol shots, policemen, and dead people walking around the halls! You win — I lose. I couldn't write a book in twenty four years in a place like this! ..."

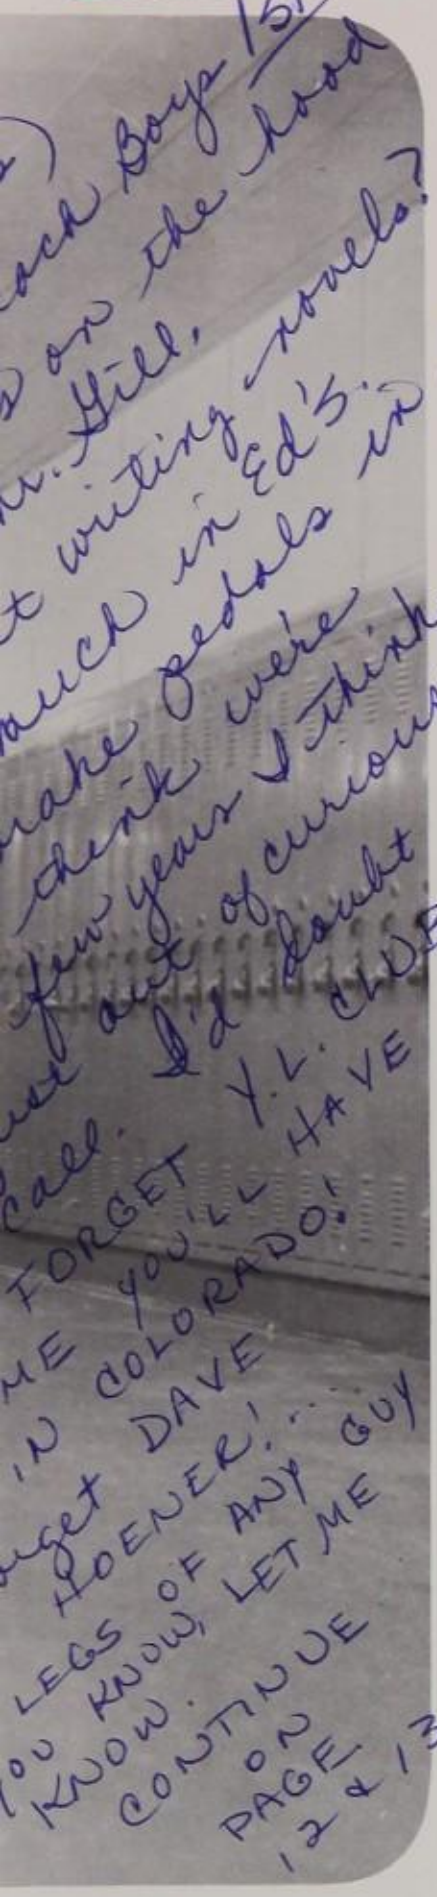
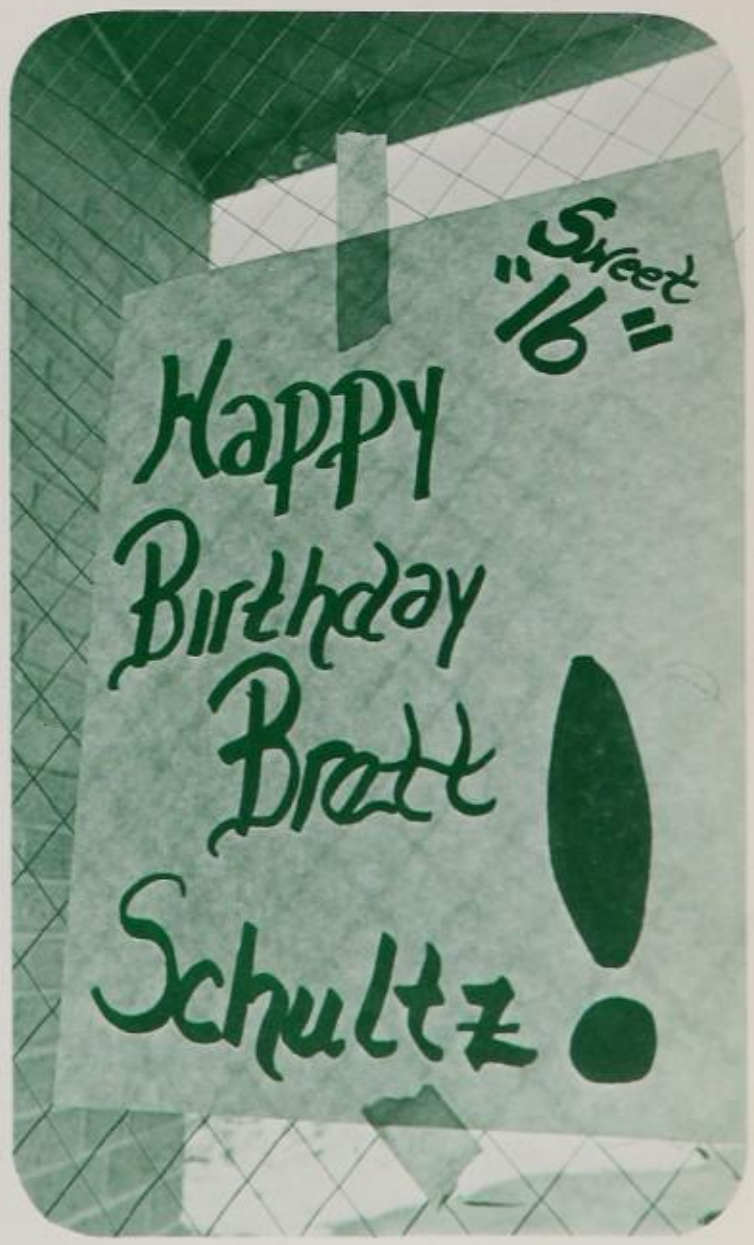
OUT FOR SUMMER!



To everything turn, turn, turn;
There is a season turn, turn, turn.
Now's the time for every purpose
under heaven:
A time to be born,
A time to learn,
A time to dance,
A time to win,
A time to cast away stones,
A time to gather stones together.

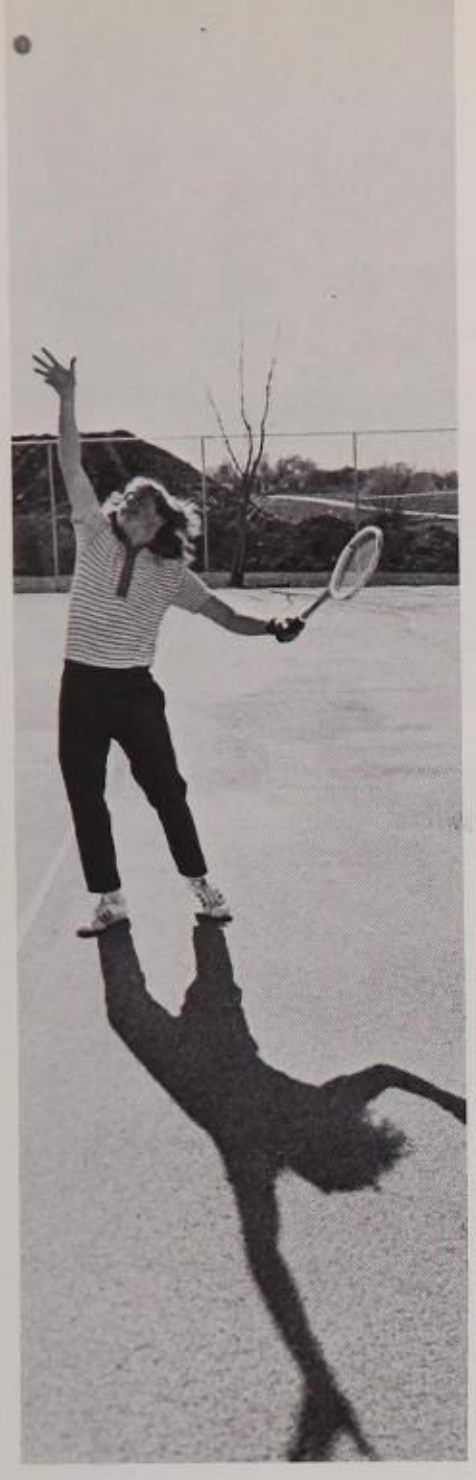


I'M NOT GOING TO MAKE IT

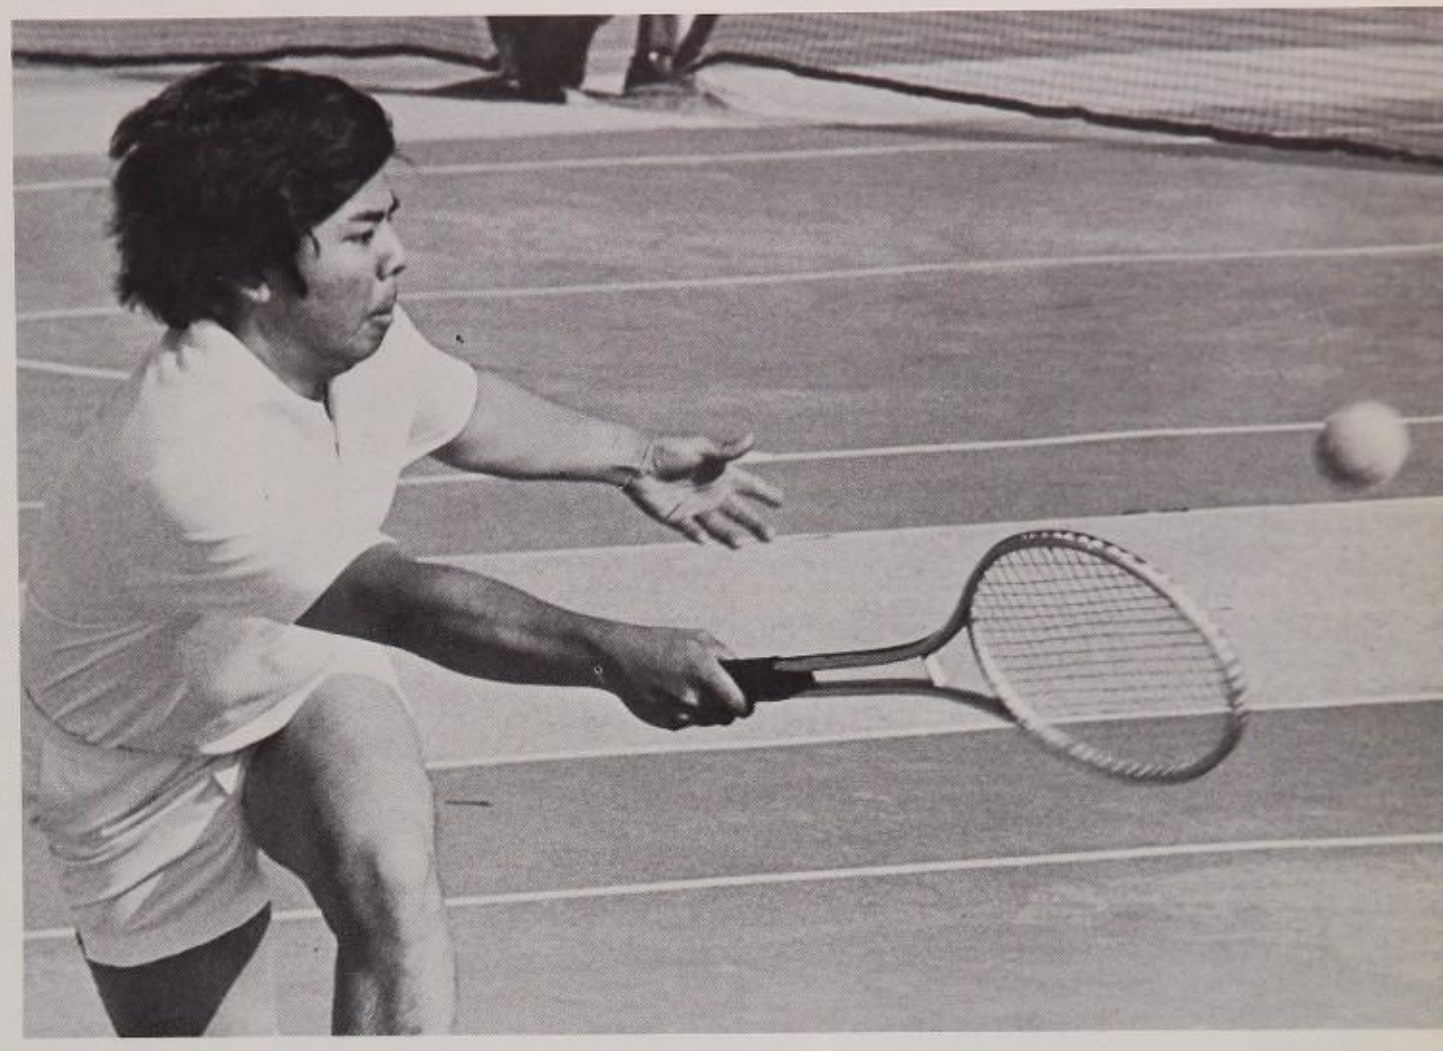
TOGETHER

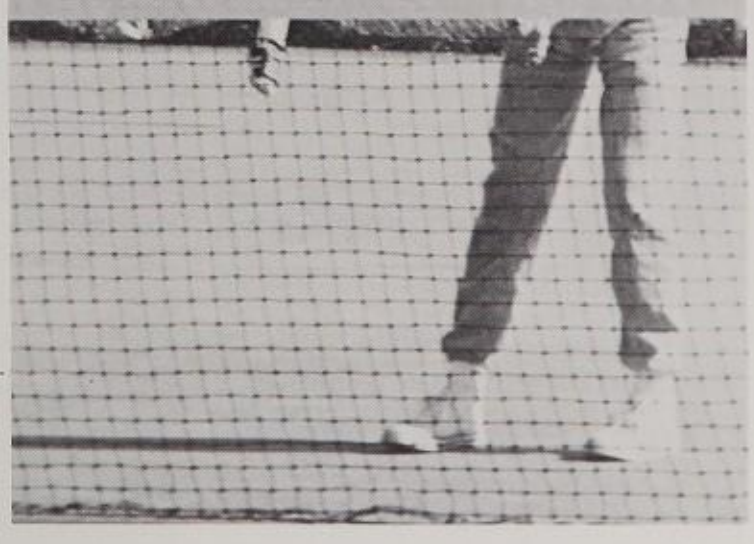
The Varsity Baseball Team lost a lot of close games during the '74 season. The team, under Coach Scholl, had two All-Conference players, Tom Christensen and Tom Domin. Coach Scholl is looking forward to a better season in '75, because the team will have four returning lettermen. The Varsity Baseball was headed by the outstanding playing of Tom Christensen as first baseman and pitcher.

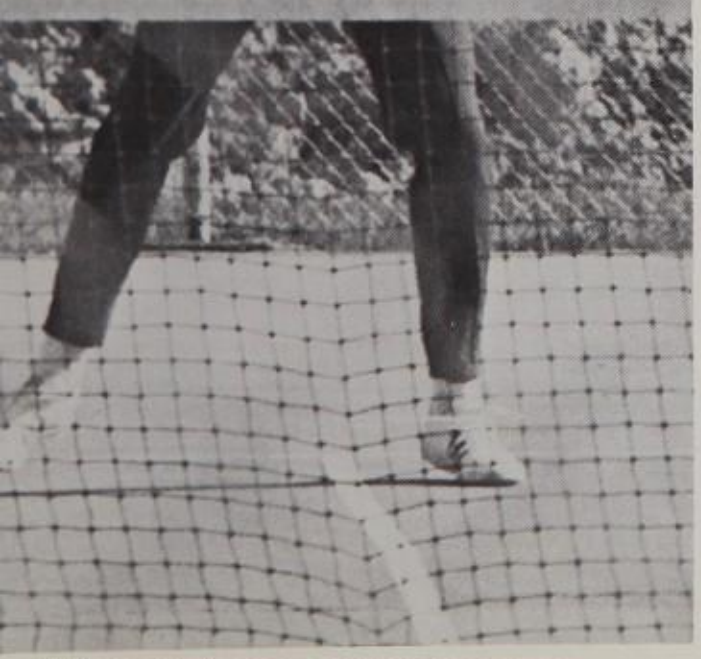
The Girls' Softball Team also lost a couple of close games. They finished sixth overall, while the B Team finished fourth overall. Their best game was a 18-7 romp over East Leyden.



"It's Too Bad You Have To Lose To Prove You're a Good Sport."





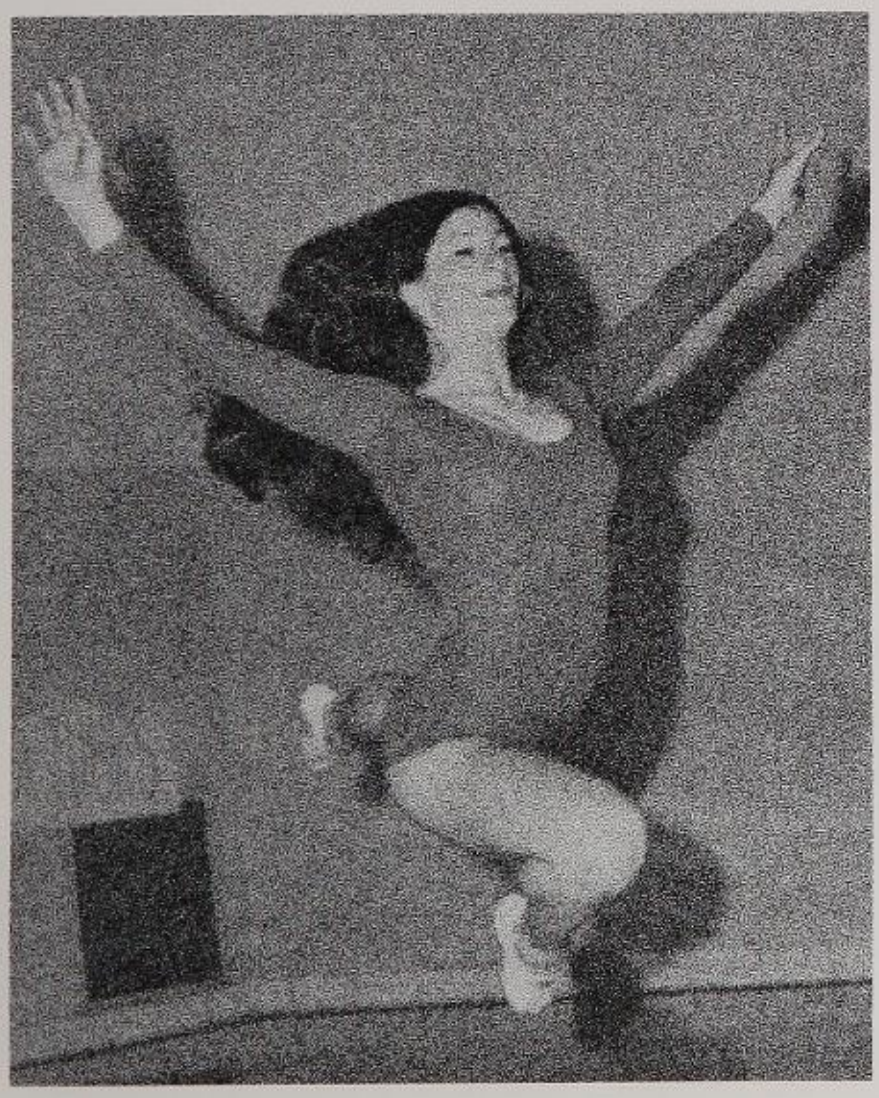


The Varsity Tennis Team is looking towards a fine future with up-coming underclassmen. Senior Rich Schaaf was credited with MVP honors, while the most improved player, Kris Andre, will be returning to help the team.

On the sophomore level, Gregg Miller and Leo Farbota went undefeated in conference play at first doubles. They won conference at this position. Second doubles, Scott Shafer and Steve Prazma, lost once in conference play. They made it to the D.P.V.L. finals. These players will form a solid backbone for the '75 Varsity Tennis Team.

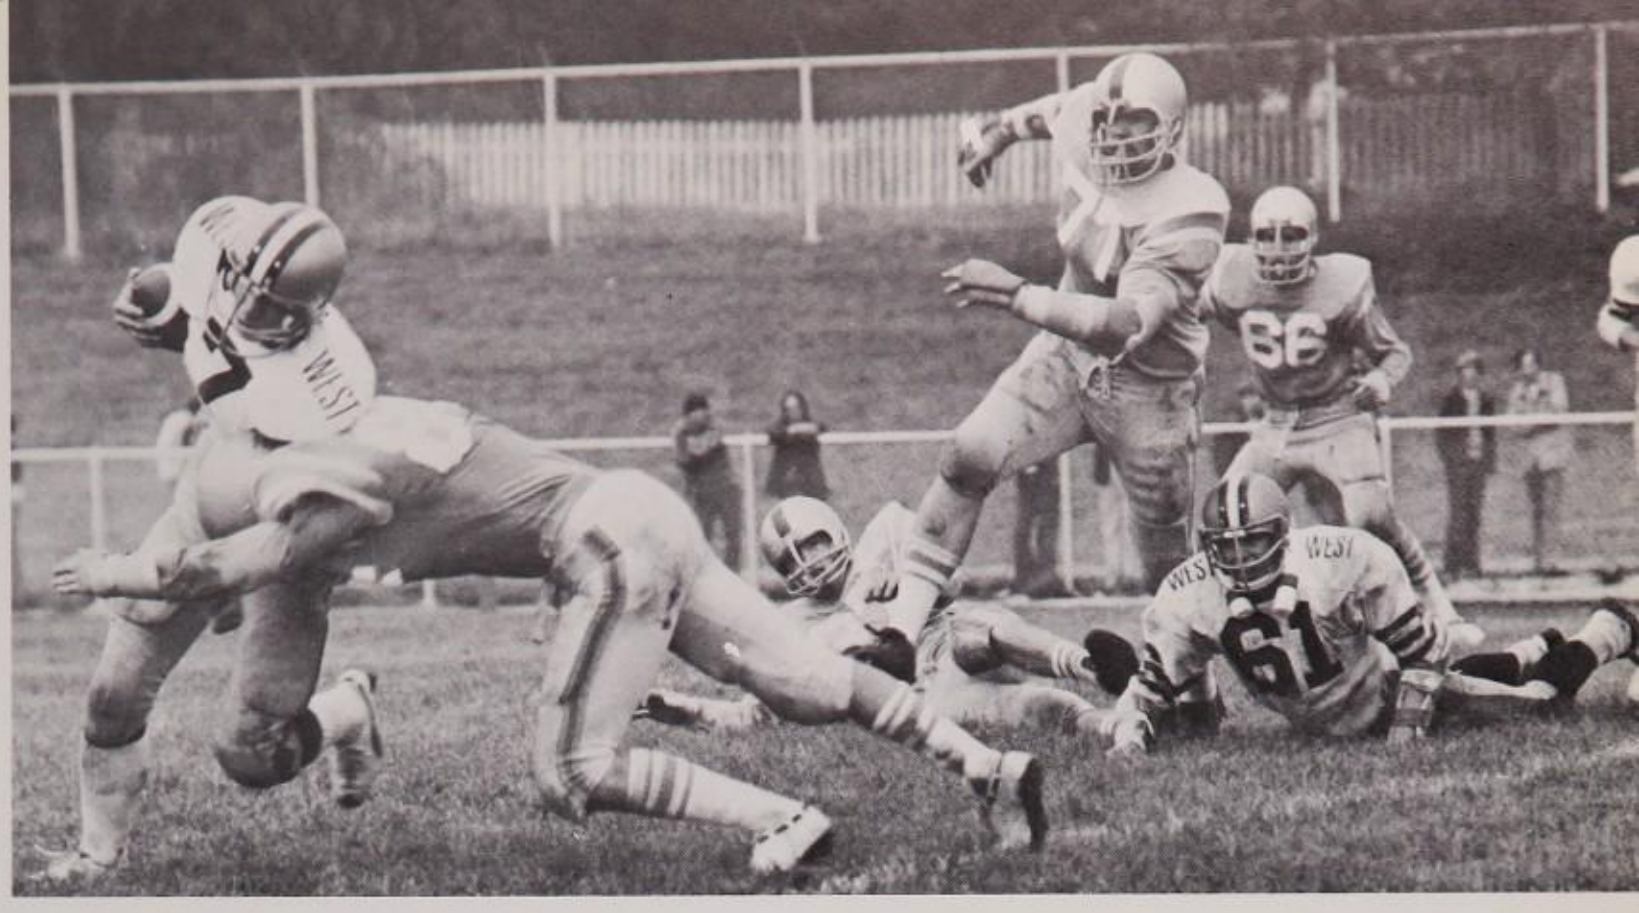
"We're Going To Test Our Powers and Develop Our Skills."

The Girls' Track Team posted a 2 and 1 record for the 1974 season. Even though they participated in only three meets, the team was represented at the State Track Meet by freshman Cindy Tschider. Next year there will be eight meets, plus League, District, and State Meets. The team is continually expanding and improving because of the growing interest in girls' sports.



The '74 Girls' Gymnastics Team showed great improvement over the season. They came in second in the D.P.V.L. Tami Lesch took first place in the District Meet on beginning uneven parallel bars, while Kelly Wilson took second on intermediate floor exercise. Kathy Zizzo rounded out the team by taking second in intermediate floor exercise.

This Is Their Finest Hour.



The '74 Football Team was the greatest team in the history of Willowbrook. Their many achievements include most wins in a season and a 16 game winning streak. They are Conference champions for the second year in a row and are the first undefeated, untied Varsity Football Team in Willowbrook's history. They went to the State Playoff Semi-finals, so they are a member of the Elite Four in the State.

The highlight of the year was the 23-6 victory over East Leyden. This game decided the Conference championship and the representative of the D.P.V.L. in the State Playoffs. The largest crowd ever to attend a Willowbrook football game witnessed this. During the week of November 10-16, Willowbrook was selected as the number one team in the State of Illinois by the Chicago **Tribune's** Prep Power Rating.

The team's many individual honors include ten All-Conference players: Tom Domin, Jay Landem, Bob Vann, Mark Plewa, Mark King, Dave Whelpley, Al Havenga, Tom Shallcross, Bruce Kelsay, and Brian Bailey. Tom Domin was selected to the All-State Team and the National High School All-American Team. The '74 team captains were Bob Jurasek and Tom Domin, with Bill Doherty as Most Improved Player and Tom Domin Most Valuable.

The Junior Varsity captains were Paul Shelton, Scott Wiebe, and Tom Considine. The M.V.P. was Dave Ornelas with Ray Clarke Most Improved.

The Sophomore Team captains were Bill Skarnulis and Steve Anderson while the Most Valuable Player was Mark Long and the Most Improved Kory Bond.

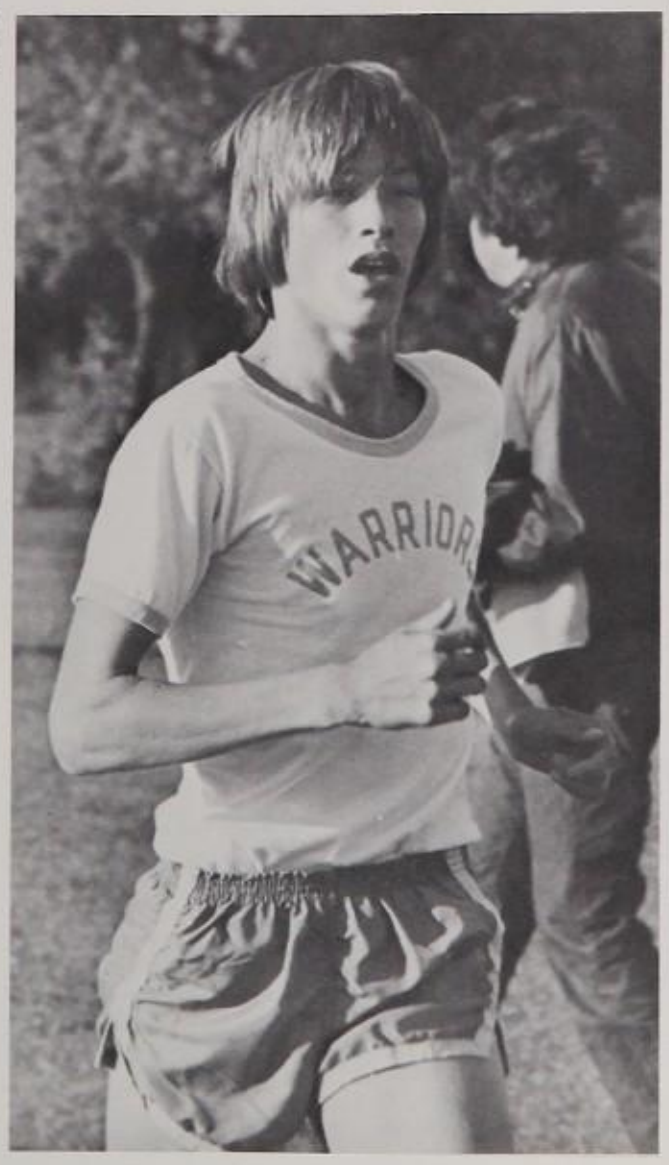
OTHERS — Aurora Central Catholic, Brother Rice, Deerfield, Geneva, Glenbard South, Hersey, Hinsdale Central, Immaculate Conception, Joliet Catholic, King, Lisle, Momence, Niles West, Phillips, Ridgewood, St. Francis de Sales, Taft, Thornton Fractional South, Tinley Park, Vocational, Warren, Wauconda, York, Zion-Benton.

Kurt Kleinow, Les Orlow, Chris Kuntz, Craig Martin, Bob Berendt, Garry Human, and Steve Liechti: these were the top seven Willowbrook harriers who gained All-Conference honors for the '74 cross country season. This team proved to be the best ever in Willowbrook history. Their only loss was the result of a forfeit during the teachers' strike. Kurt and Les led the team by placing in the top 10 in every meet; however, Chris, Craig, and Bob gave the team the added strength it needed to put together a winning season. The harriers ended the season downstate by taking second in District and third in Sectional. Downstate they were headed for a fourth-place team victory with Kurt in fourth place and Les in fifteenth place; but thirty yards from the finish line, Kurt fell from an all-out effort and Les stopped to help him. The team ended up with a disappointing eleventh place. The team's greatest accomplishment for the season could be Kurt's, Les's, and Chris's finishing first, second, and third in the Addison Invitational and Conference meets. This is the first time any team has accomplished this in the history of these meets.

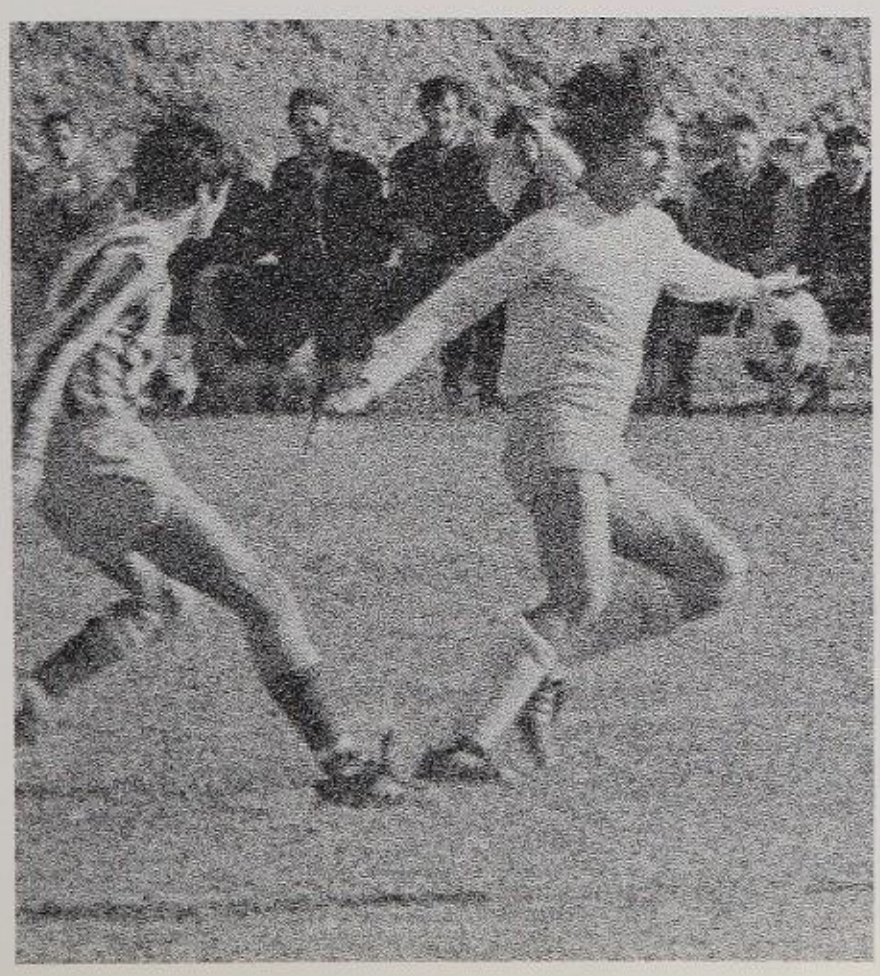


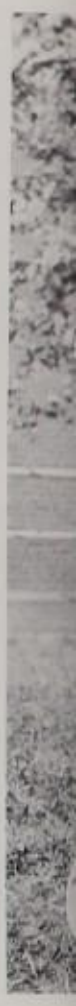
"Skill is the right mix of mind and body."

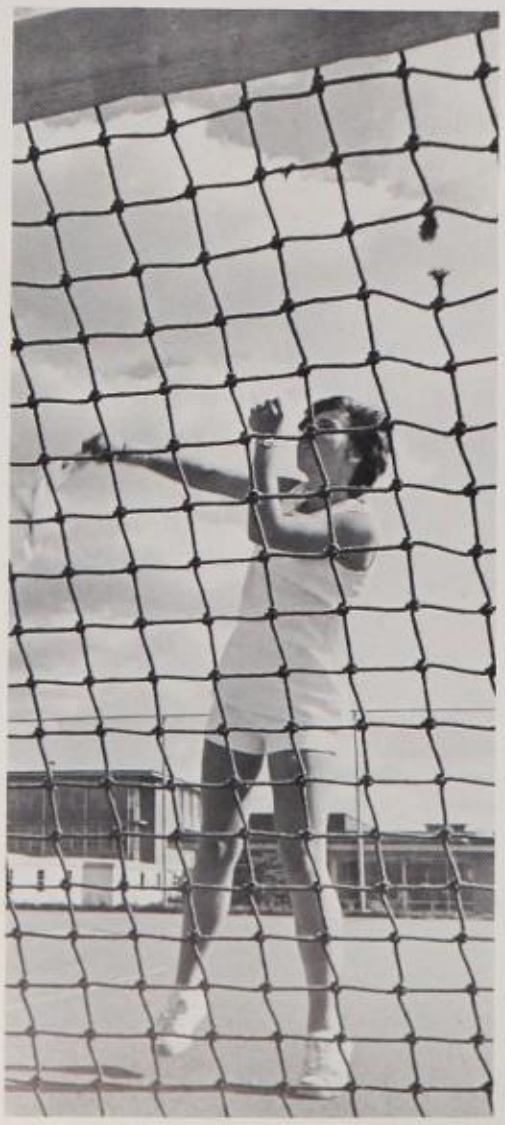
The 1974 soccer season was very successful. The Varsity finished second in the Western Soccer Conference in what was only their second season of existance. Junior Mohamed Awad scored 19 goals in 15 games and was a unanimous All-Conference choice, as was Steve Welborn. Given Honorable Mention were Dennis Johnson, Joe King, Glen Grumstrup, Jerry Taylor, and Franco DeFeo.

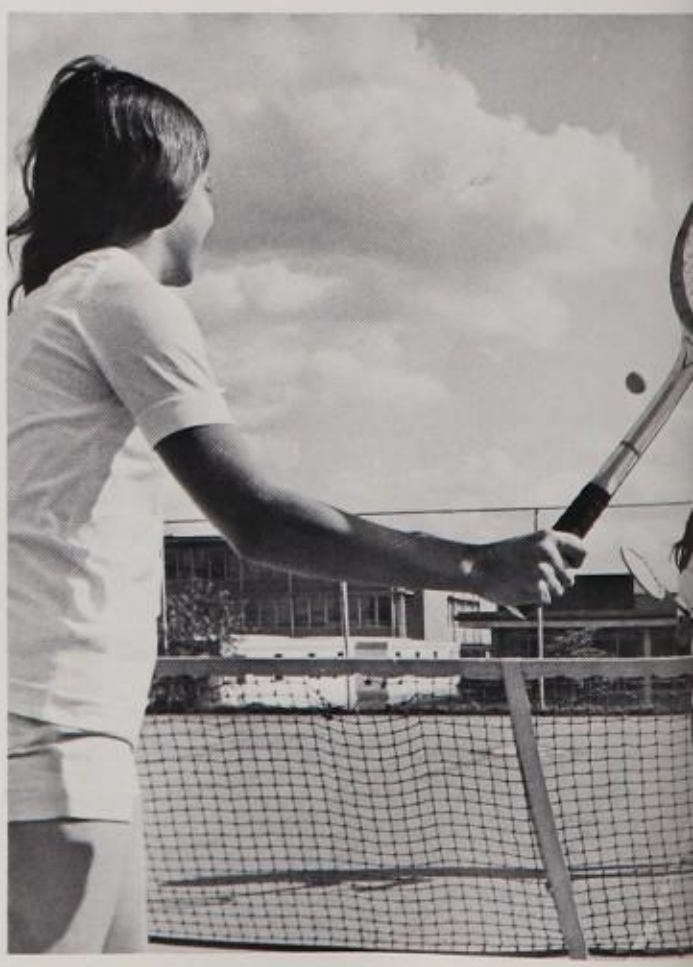
Since only four starters were seniors, Coach Roy is looking forward to a good season in 1975.

The J.V. squad finished its season with a 4-1 record. The freshman and sophomore squads were less successful, although Russ Coomans had six goals and two assists.



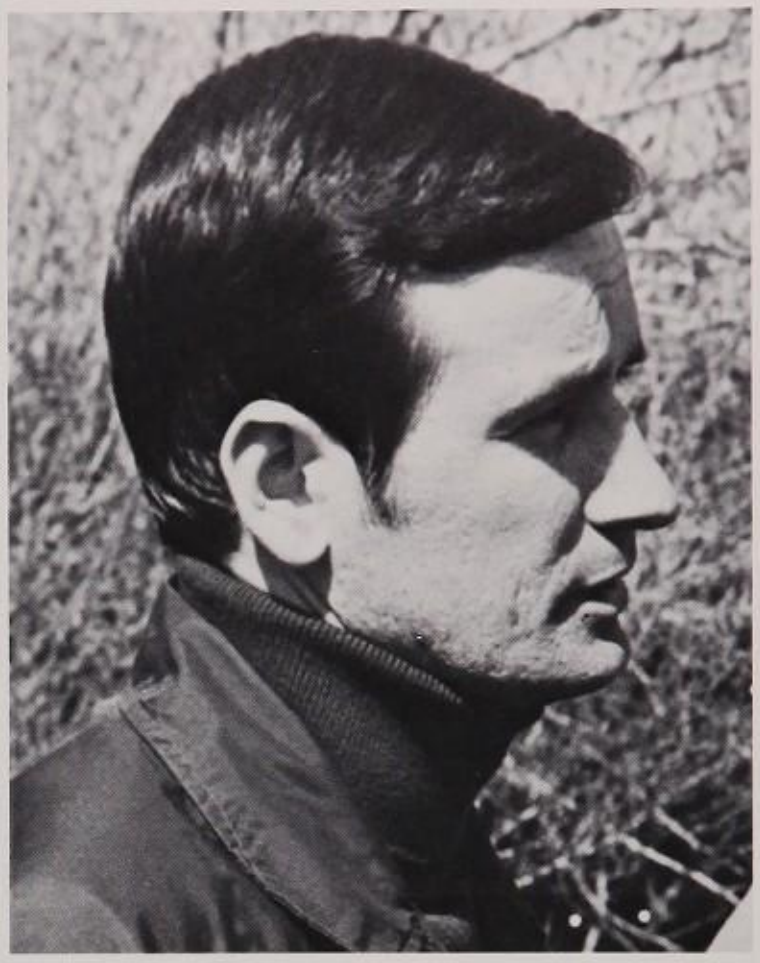


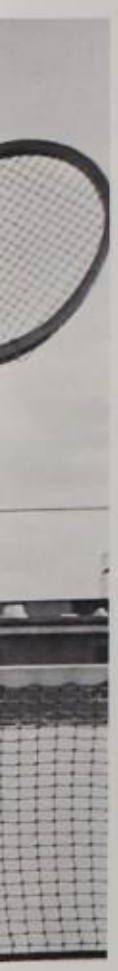


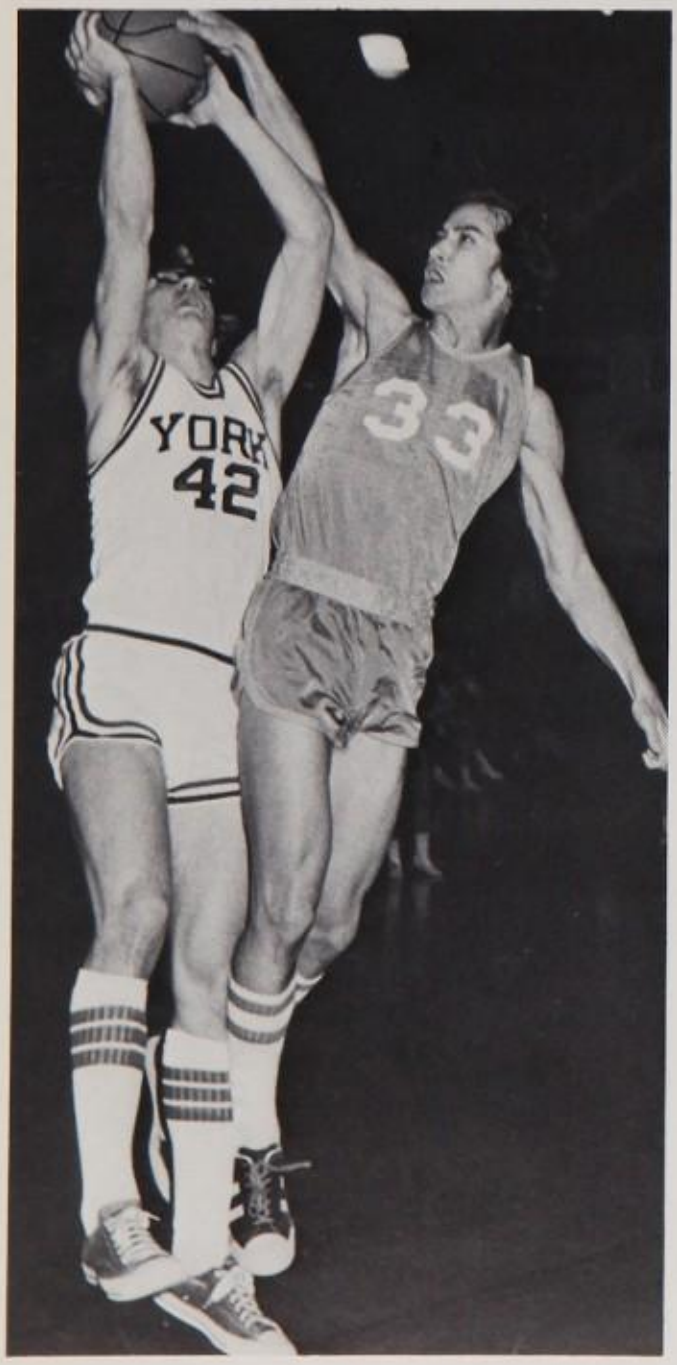


"Scores don't tell the whole story."

"You know it doesn't come easy."







"And they said we couldn't!"

Willowbrook Warriors

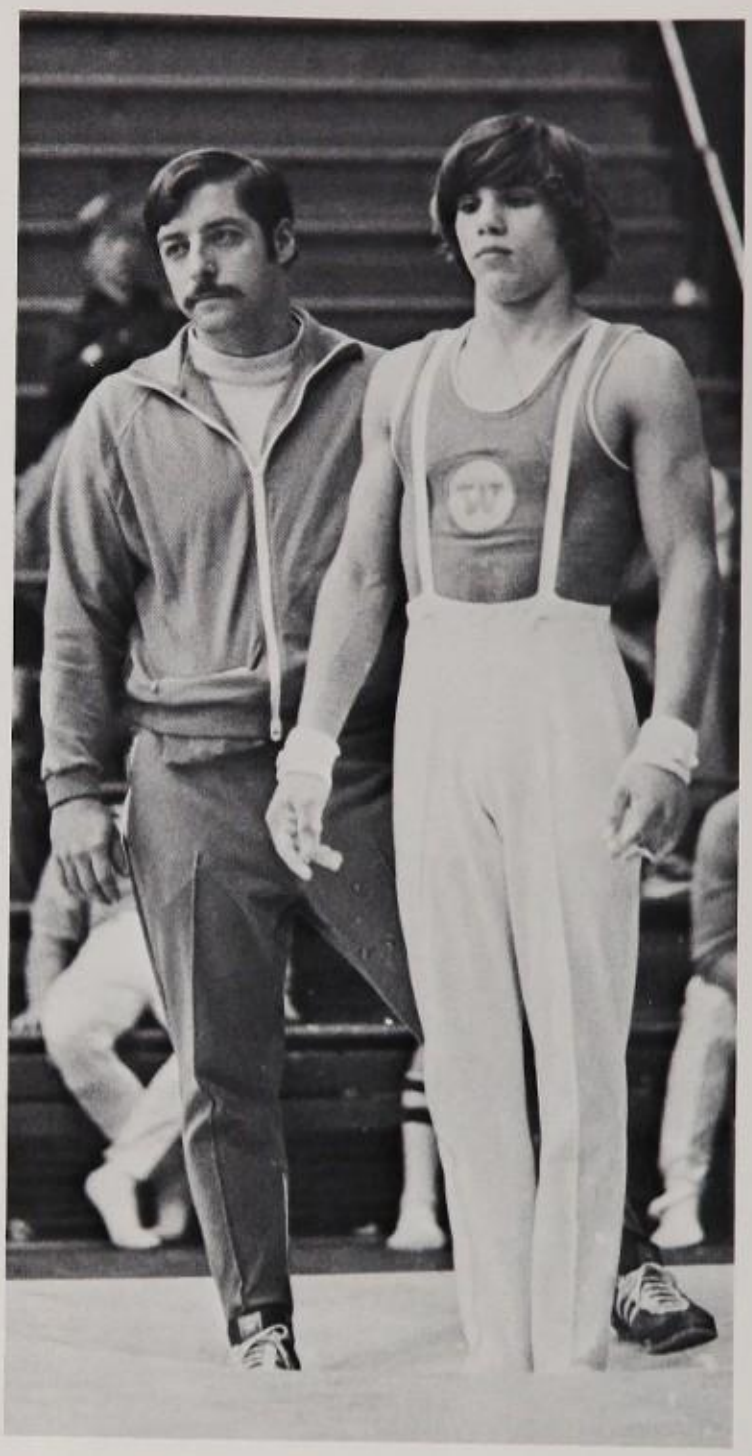
The Warriors started off the 74-75 season by beating the defending State champions, Proviso East. Although they lost twice to the number one rated East Leyden team, both games were so close that either team could have won. At the Glenbard West Thanksgiving Tourney the Warriors took third place. At the Proviso West Christmas Tourney they beat Riverside-Brookfield, Niles West, and Libertyville to win the Consolation Championship. Bruce Kelsay was the high scorer of the tourney, scoring an average of 22 points per game. Tom Domin broke the school record for total rebounds in one game. Tom Rowley broke the school record for the most free throws made in one game. Although the Warriors are not in first place, they still have had a very good year.

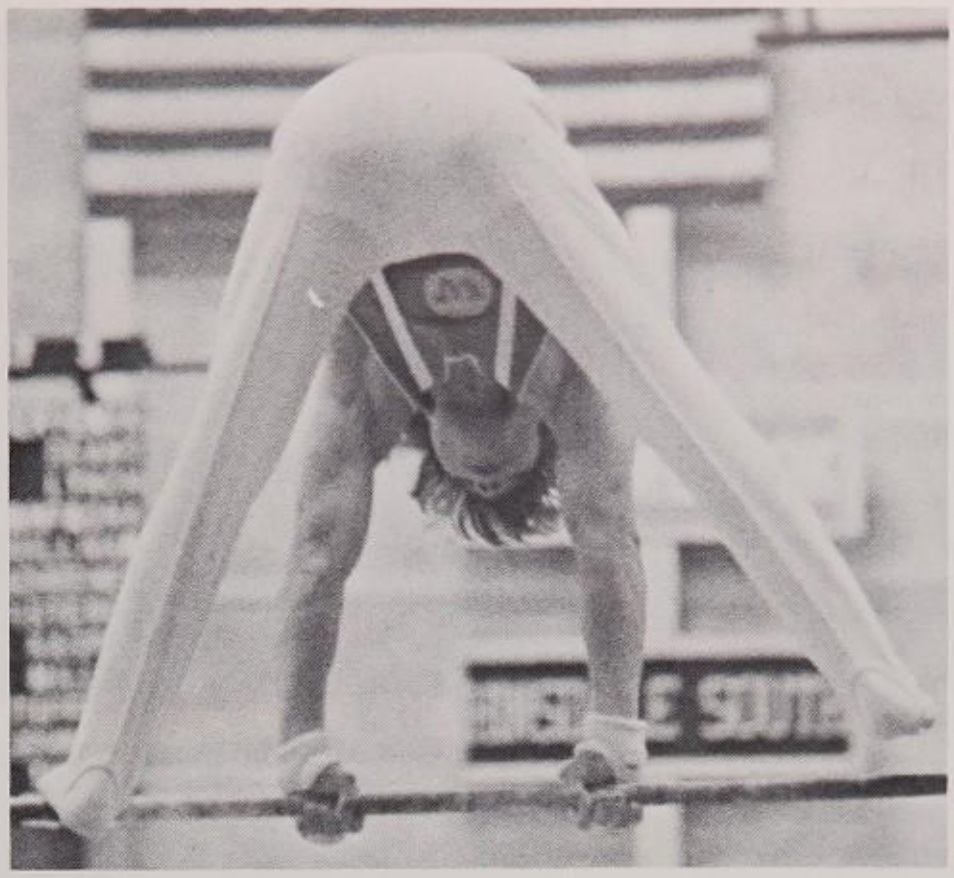
Thou Shalt Perish Under Thy Victors' Feet

As we write this, the '75 Track season is just beginning what looks to be a great season. The most impressive feature of the team is the balance it has in almost all events. The one-mile and two-mile events are led by Les Orlow and Kurt Kleinow respectively. Jim Towle and Bob Berendt are the runners of the quarter-mile and half-mile events. Jim Bocain and Lance Carpenter head the list of athletes in the triple jump, while Jim Rio and Mark King will add power to the shot-put and discus. Lyle Benedetto and Avery Pleasant give the relay teams the added strength they need. The team hopes to acquire the indoor track crown, as they did last year. They then hope to go on to take the outdoor track Conference Championship.

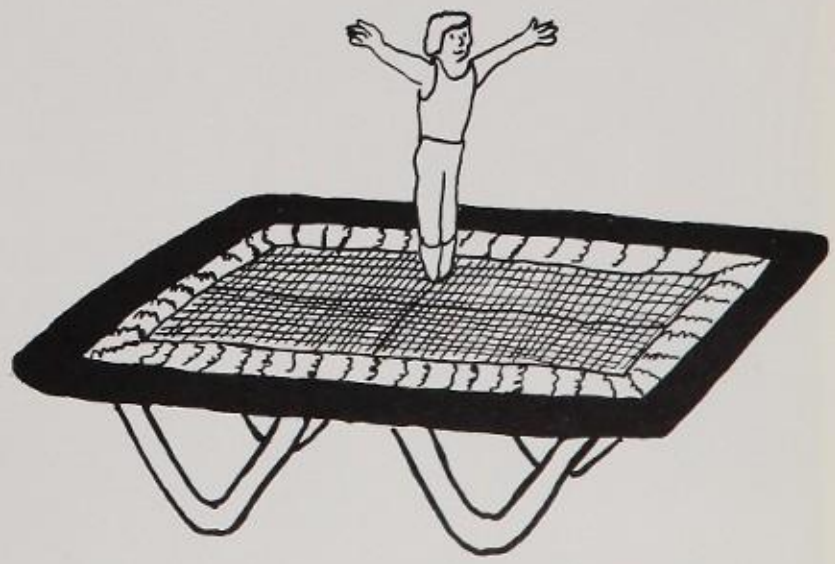


STOP THE PRESS!

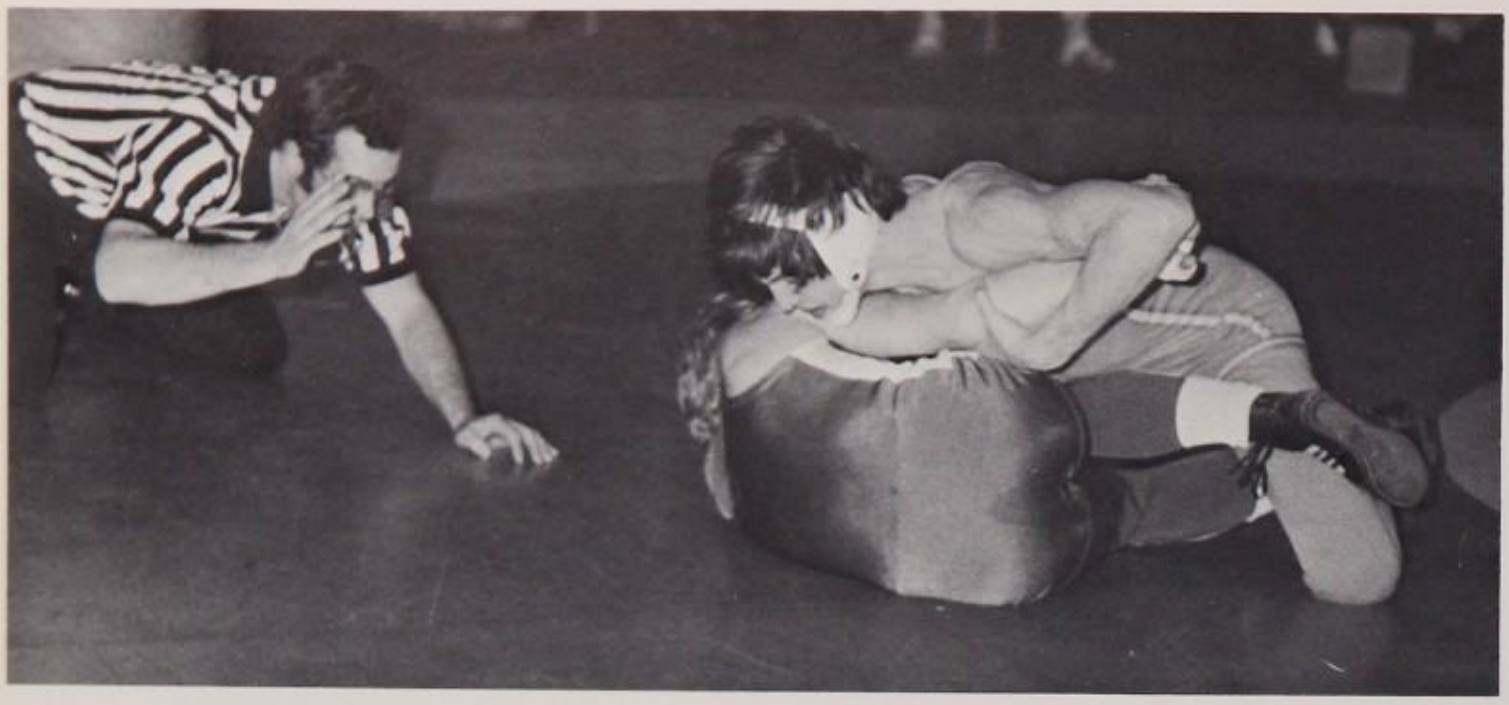
Mango State Rings Champ

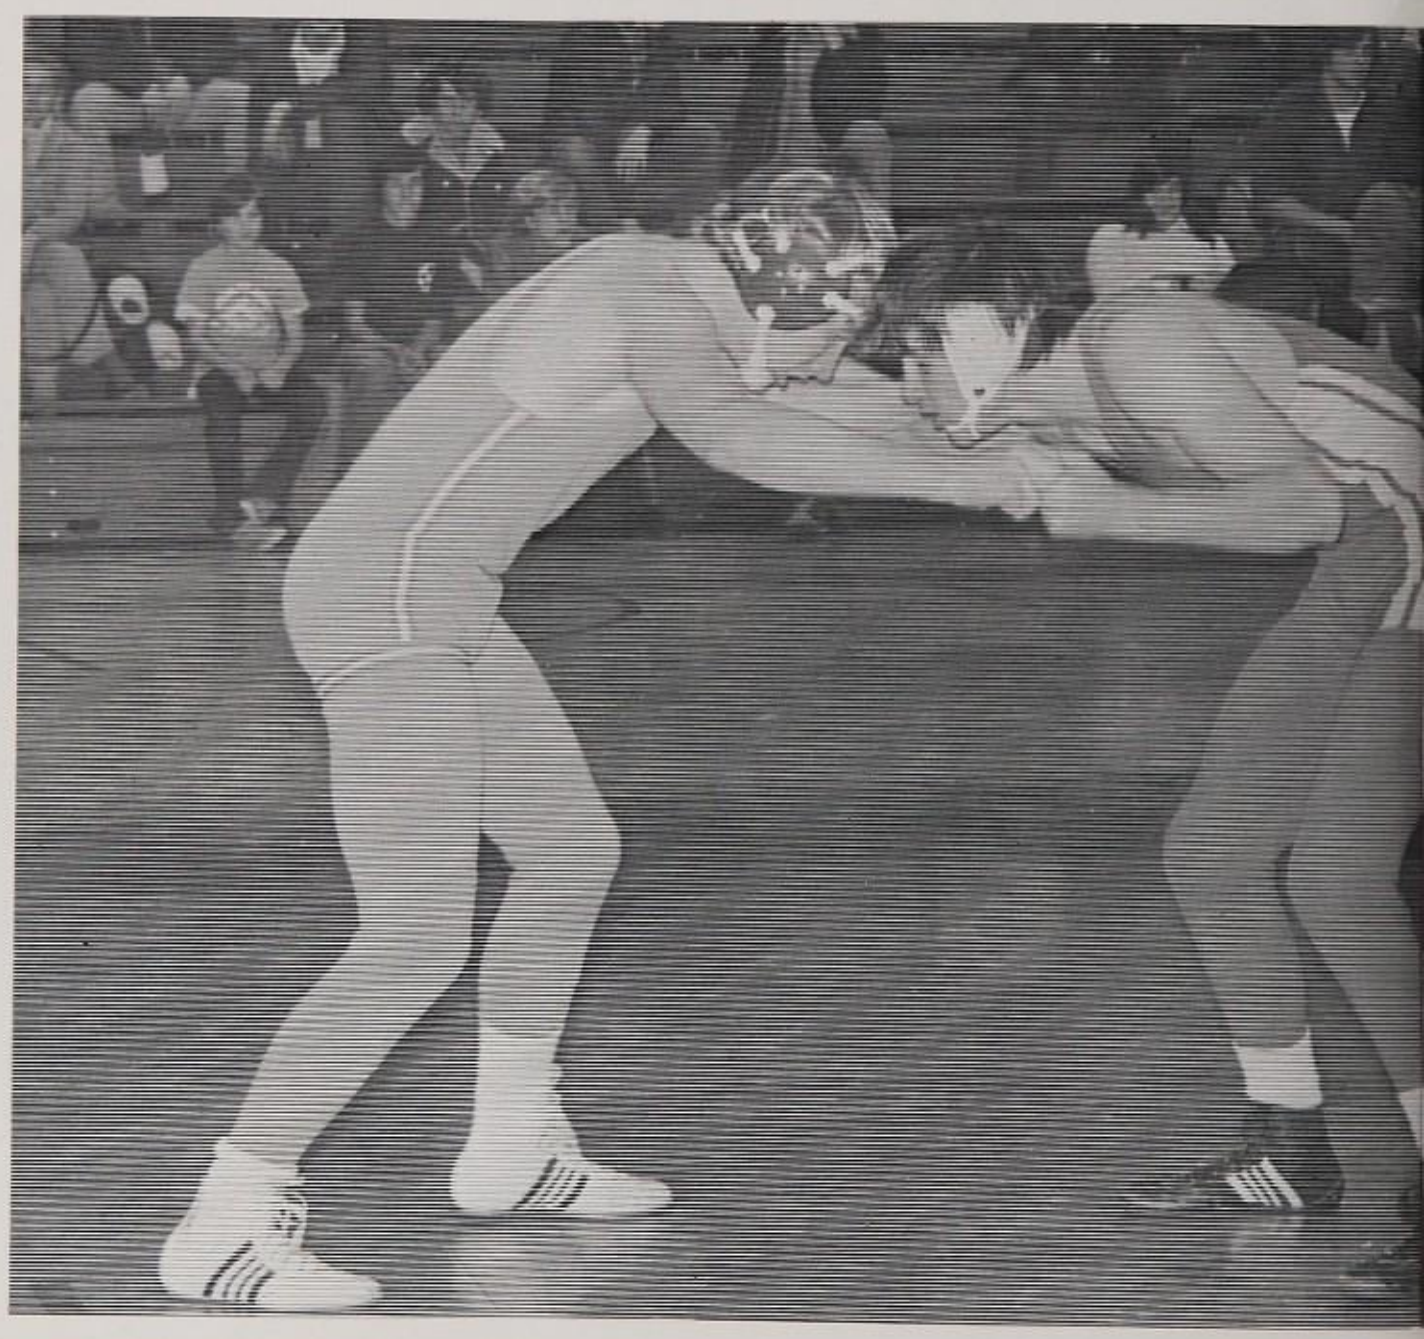


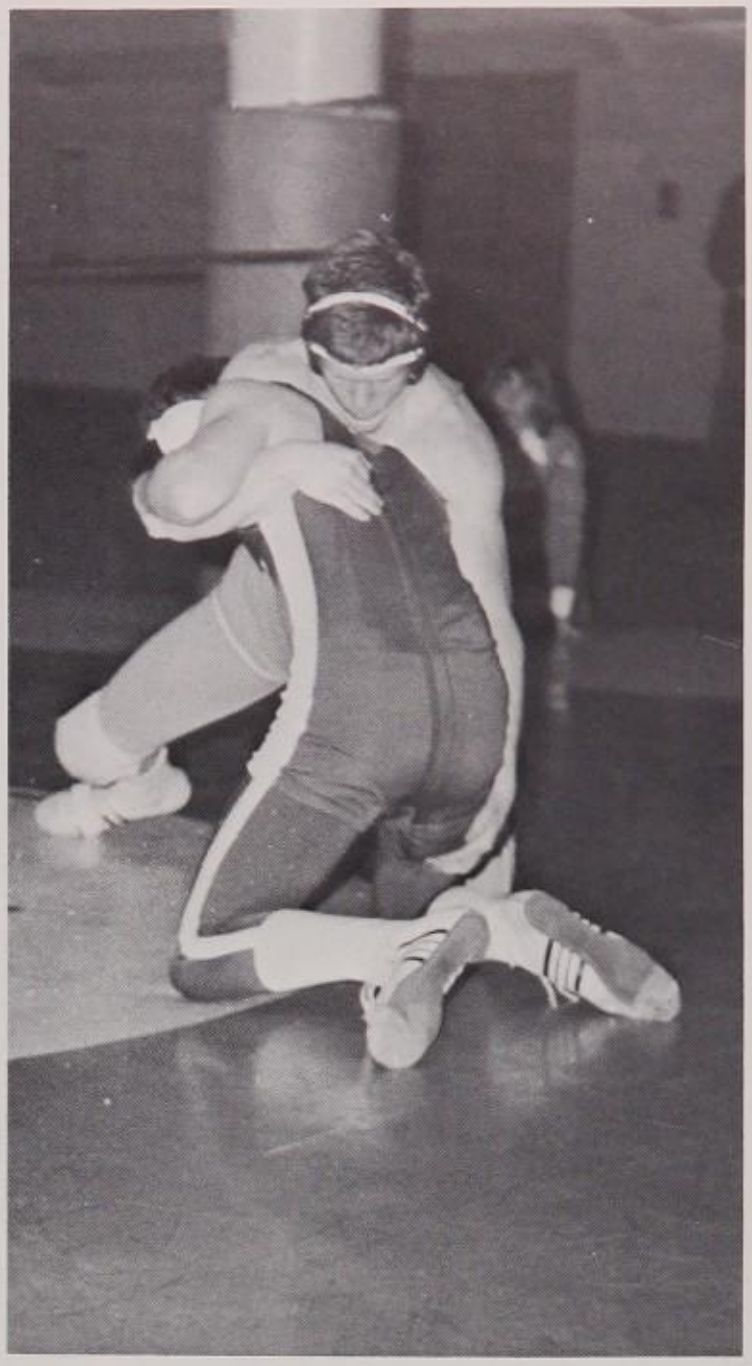
The Varsity Gymnastics team compiled a respectable season under Coach Llewellyn Iffland. The seniors provided the scoring thrust. Kirk Mango was the top gymnast, scoring well in every meet. Other seniors, Pat Harrington, Rich Boldrey, Bill Holtzmacher, and Joe Le Gare, did outstanding work also. The top scoring junior was Dave Erlenbaugh, who helped throughout the season. The gymnastics season is not over as this page goes to press, but the fine work of the team has already been shown this season.

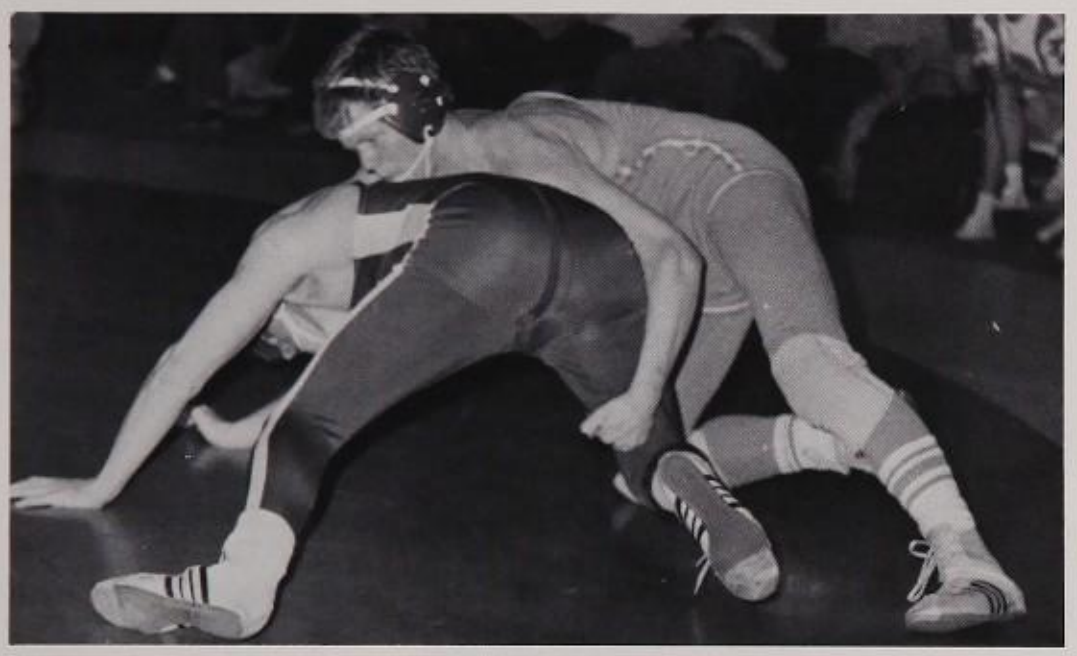


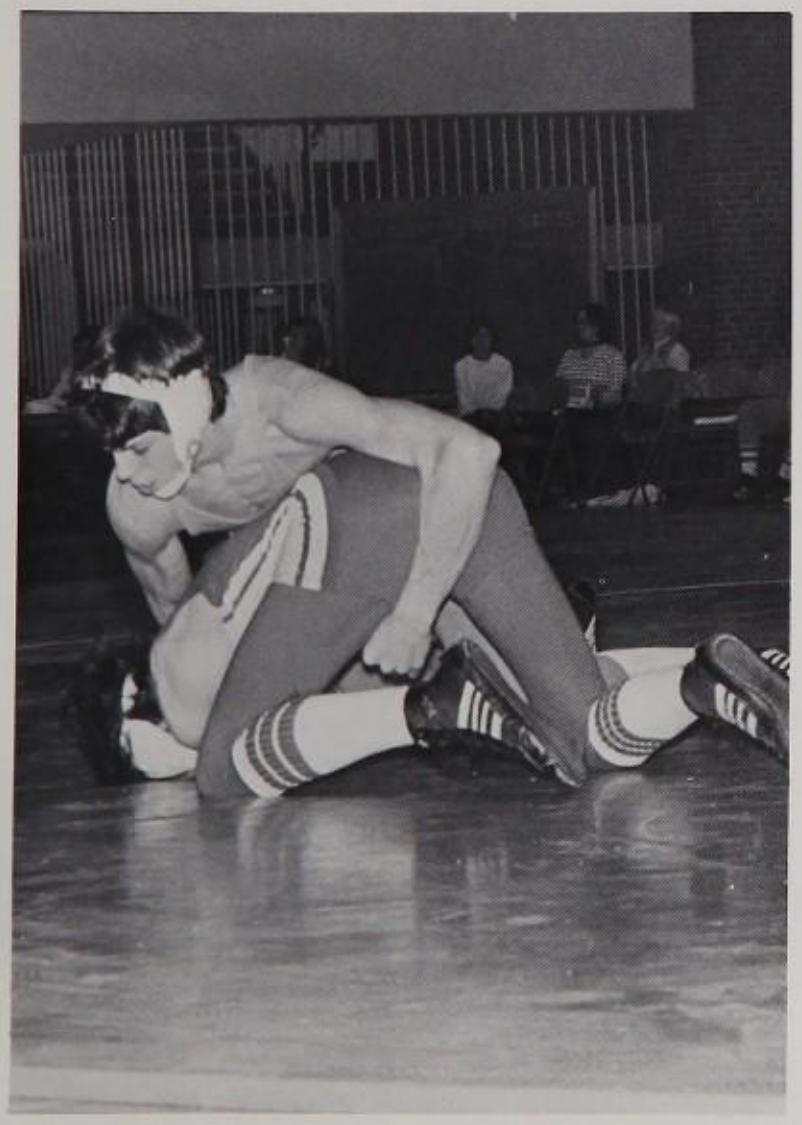
Something In The Way He Moves.

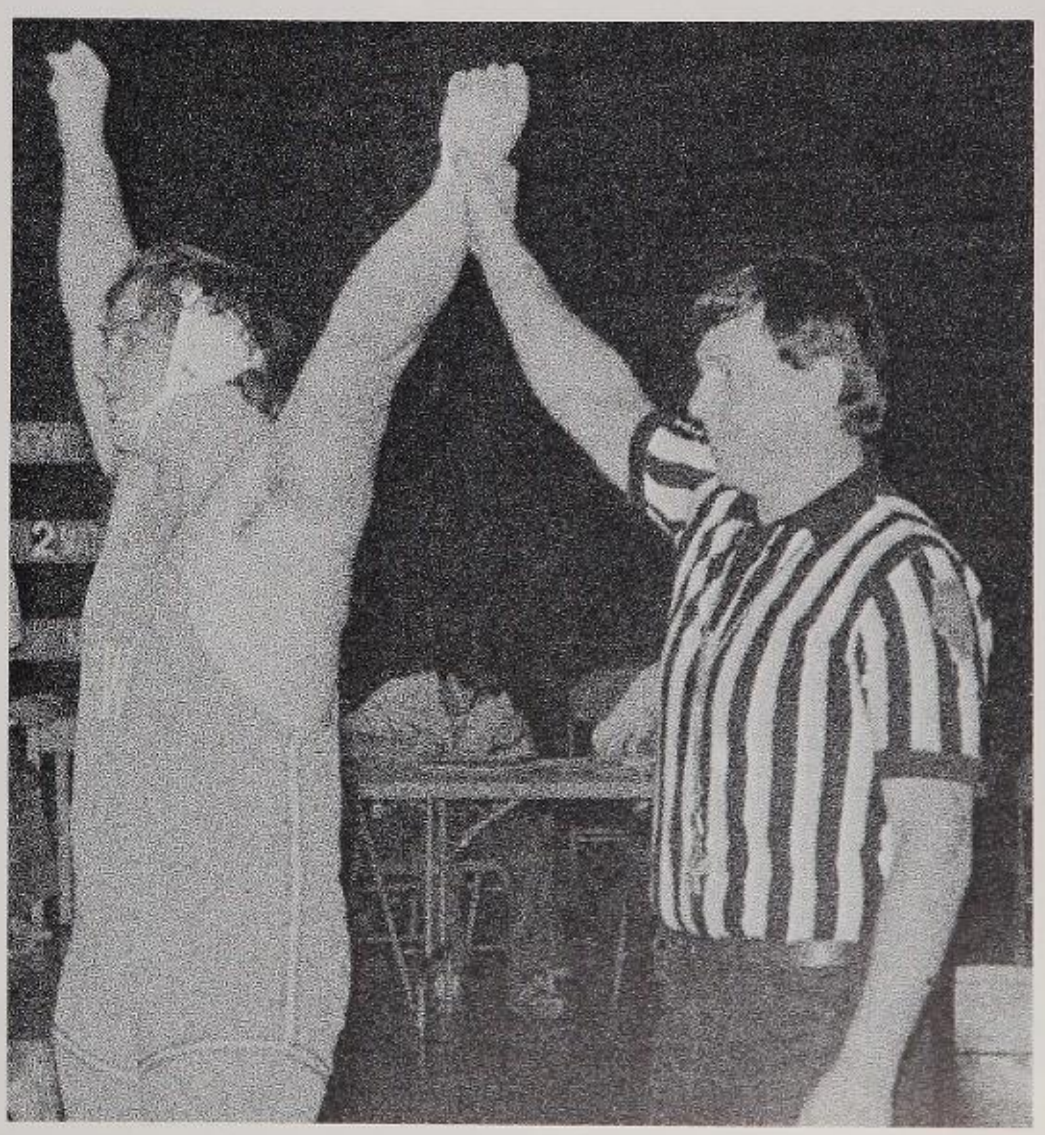




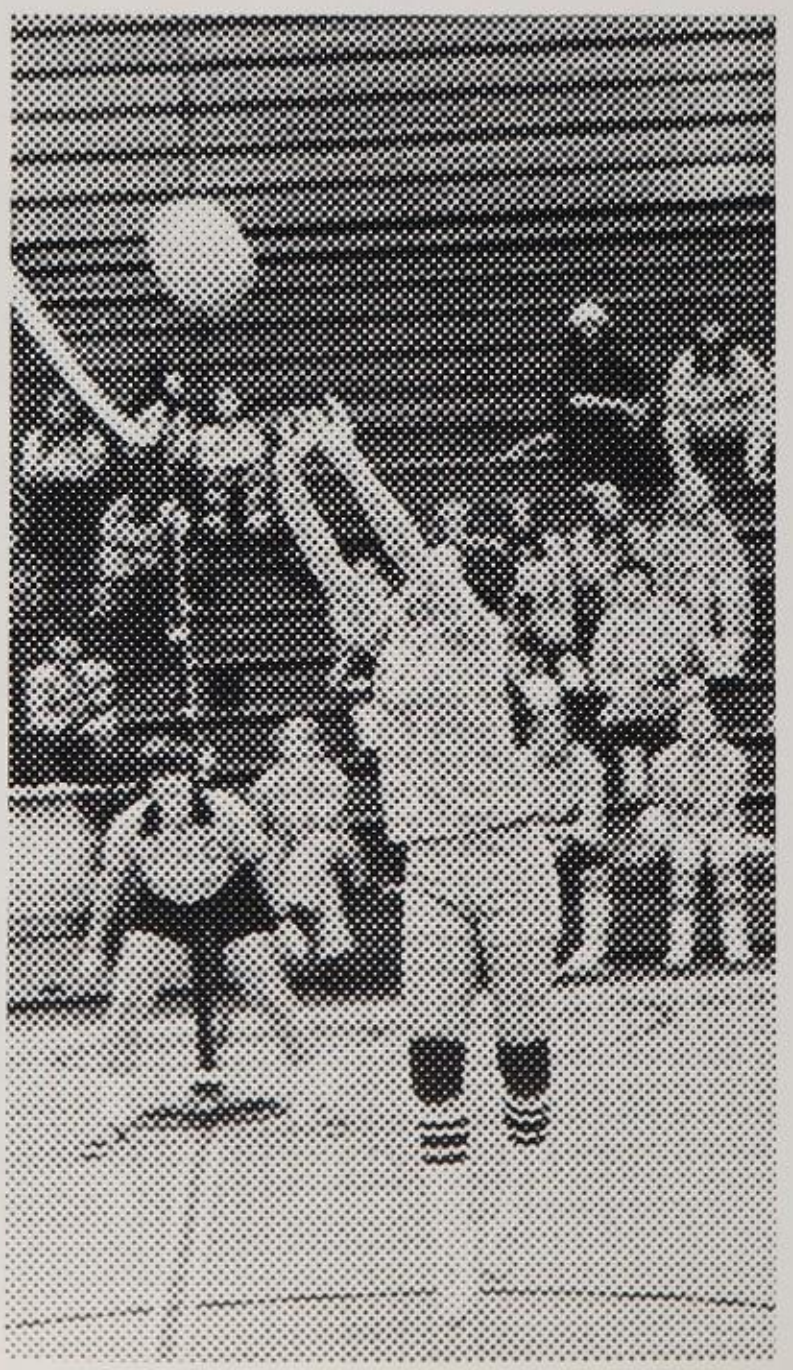








As this page goes to press, the Girls' Basketball season is just beginning. This year with an experienced team, (there are only four freshmen), Coach Karen Bremberg is looking forward to an overall improvement over last year and the team is building for the '75 State Tournament.



It's Getting Better All The Time!

Under Coach Karen Bremberg, the Girls' Volleyball Team took third place in the league. The highlight of the season was their participation in the first State Volleyball Tournament.

PARALLAX

In 1957 Willowbrook High School faced a desperate problem; there were no buses. It seemed that in that year few school buses were made, and those that were made went to the older high schools. A black veil hung over newly built Willowbrook High School. Would it meet its end so soon? Would the halls never have jelly on its chairs and butter on the ceiling? The thought makes one shudder!

But a bright hope threw its glorious rays on this dismal problem. Joe Slick, the school greaser, saved the school from its inevitable doom. He owned a 1956 Olds which had seen many a traffic battle in its time. This car would transport the Willowbrook students to school! It only had to make ninety-four trips. This picture was taken as the first batch of the first Willowbrook students arrived at their new school. Most likely this picture will go down in history, along with Rembrandt's **The Night Watch** and Brock's **Washington Crossing the Delaware.**

EXCHANGE

It was an important and interesting year in my life, which I will never forget. It was important because I learned a lot about myself and about my own country and its people. I saw a lot of differences between our customs and our way of life and yours. I learned to like your country very much. I have enjoyed being here. I found the people very friendly. I'm especially grateful to my American family. I also want to thank all my teachers and friends for making this one of the best years in my life.

I hope that I may visit this country again, and I wish all of you many happy years.

Karen,
Seeing you not all that much this past semester has really been a bummer. I think we still managed to enjoy being one of your close friends and I'm really glad we were always there for each other. Hope we can always be as close as we were this past year or so. I know you'll always be in my memories of Willowbrook and vice versa. Other memories of this we've done !!! (redacted) but not only in my memories but in my prayers will also have you in them. Best wishes always Love Sheri

My freshman year I asked, "What is high school?" The walls answered, "It's orientation, lockers, forgotten combinations, teachers, crowded halls, and the first fire drill of the year."

My sophomore year I asked, "What is high school?" My locker answered, "It's homework, field trips, pep rallies, and report cards. Was that the bell?"

My junior year I asked, "What is high school?" The windows answered, "It's history and English. It's beginning to understand yourself as you face your final year."

To all who helped us give this book a new look, we are very grateful.

Mr. Hacklemann, of the American Yearbook Company, with his patience and understanding proved more helpful than he will ever know. Mr. Hagerty, of the Leander-Gibson Studio, and his photographers, speedily gave us just the right pictures. Added thanks to Jeff Van Scoyk for shooting our endsheets and to student photographers Mark Dempsky and Dan DeLegge.

Throughout the year, our advisor, Mr. Morgan, believed in us and backed us in producing a new **Centurion.** Our fine art staff worked under the watchful eye of Mrs. Patterson. Our teachers, families, and friends were always understanding about missed classes, late hours, and grouchy moods.

Finally, we thank the section editors, who worked not under us, but with us, working not only one class hour but many on into the night and early morning. We grew closer together than we ever thought possible.

We hope that our book holds as many wonderful memories for all Willowbrook students as it does for us.

Karen,
Well, it's just about over. Good old S.K.C. and the SKC float. I hope I can find the SKC board member pin. Remember the C.O.D. games we went to? Well I'll see you at C.O.D. next year. Good luck always and ~~[illegible]~~ I will call you in 10 years for the reunion.

Love,
Mary Ellen

Dear Karen,
Since this is your yearbook I guess I have to say something nice. I'll try. We've really had a lot of good times together and boy! will I ever remember! All those good times in accounting and who can forget Mikey's birthday. How about those C.O.P. basketball games. We really had a riot this year and I'm glad we did it together, and became the good friends that we are today. All that I can say is the Best of Luck to you in the future, and who knows, maybe one of your many dreams may come true!
Love

Karen-

We've had a blast the 2 years that we were really close & guess things change and we grow up and learn & hope we always remain friends and can get together next year at C.O.D. It will be a totally new experience—than Willowbrook. Well here's to good luck in the future and have a cool summer. Love Paula K.

Karen, Hasn't this been a great year! Remember Silver Key Club and all the fun we've had. Wasn't it fun in typing? Mrs. Zinanni let us get away with murder! Have fun over the summer & don't T/P too many houses. Love, Dawn Kretschmer

P.S.-Have a nice life!
